Date: July 15, 2010

RE: Addendum No. 1

Purchasing Technician

Bid No.: 11-641

The following items are in response to questions generated in regards to the above solicitation; please amend the bid/proposal as follows:

Questions received for clarification:

- Accept only a vehicle that meets the specifications as written but a company can still bid their product noting any exceptions to the specifications by completing the bid documents.
- The specifications were modeled around a Utilmaster product to fit on a Ford 350 or 450 chassis for a walk-in van. We're looking for something like our customer is currently using as illustrated by the attached photograph.
- Attachment: City's Step Van (photograph)
