

Notes from the City Manager's Office

...for the Week ending July 29, 2016:

- CONGRATULATIONS to the City's Department of Human Resources for being named the 2016 International Public Management Association for Human Resources (IPMA-HR) Small Agency Award for Excellence! Very awesome that the City of Lynchburg's Human Resources Department is recognized by its professional association as the best in the world! Congratulations to all of the Human Resources staff and particularly to Margaret Schmitt, the Human Resources Director that positioned the Department for this recognition!
- The City's goal for 10/4 Miler participation is 200 employees and family members. The second week of registration yielded a total of 23 family members and 73 employees for a total of 96. Only 104 more to reach our goal of 200 City of Lynchburg participants!
- Next time you go to Riverside Park take a moment to appreciate the newly stained picnic tables and the new mulching around the trees.
- Family Dollar on 5th and Federal Streets is slated to open by the end of August.
- City Employees are collecting pens, pencils and papers for school age boys participating in the Badges for Barbers event on August 7 at the Miller Center. Employees are encouraged to bring packs of pens and pencils and notebooks to their Payroll Clerks for collection!
