

Trash Decals Now Available

Are you tired of making last minute trips to the store to purchase trash tags or hunting through the kitchen drawer for the ones you already bought? Why don't you purchase an Annual Trash Decal? It's simple, more economical and easy to do.

Several changes have recently been made to program. This year, every resident eligible to receive trash collection will receive a letter encouraging the purchase of trash decals. In the past, only renewal letters were sent to previous decal customers. Also new this year is the ability to purchase a decal online using your credit card.

Just visit <https://webapps.lynchburgva.gov/citylink/>.

A few unforeseen glitches like the late delivery of the new decals and program changes have put the program behind schedule; however, residents can be assured that the current decals will be honored until the new ones are received.

Questions may be directed to the Citizens First Information Center at 856-2489.

LYNCHBURG CITY SCHOOLS

LCS Reading Specialist Named Region 5 Teacher of the Year

Last May, Lynchburg City Schools administrators huddled together outside of Ms. Jennifer Lovett's classroom where moments later they would surprise her with a bouquet of flowers, balloons and the title: LCS Teacher of the Year. This fall, they did it again to inform Ms. Lovett, a Linkhorne Elementary School reading specialist, that the state panel has named her the Region 5 Teacher of the Year!

Region 5 consists of 20 school divisions. Each division selected a teacher to represent them in the regional competition. Ms. Lovett is among eight teachers statewide who will now be eligible for selection as Virginia's Teacher of the Year.

"Ms. Lovett exhibits those characteristics that all teachers aspire to have: a caring spirit, a desire to do the best for children and a passion for learning," said LES principal Kathleen Sawyer in her May letter nominating Ms. Lovett as the division's teacher of the year. "Ms. Lovett truly cares about her children and faculty members at LES."

Ms. Lovett is committed to the teaching profession, and as an LCS Reading Specialist, she puts extra emphasis on the importance of reading. She partners with another teacher at the school in a summer reading program that includes visiting children at their homes, giving them books and encouraging them to read during the summer.

"And her students adore her," says Ms. Sawyer. "She puts her heart and soul into her teaching."
