## “Experience the James: Lynchburg’s Pathway to the World”

Beginning June 6, 2014, the Lynchburg Museum will launch a new exhibit focusing on the important role that the James River has played in the history of central Virginia, both culturally and environmentally.

The City of Lynchburg and partnered groups are collaborating to promote fun and educational activities, camps, and classes centered on the past, present and future of the James River, Lynchburg’s Pathway to the World. Included in this collaboration are the Lynchburg Museum and Point of Honor, Lynchburg’s Departments of Parks and Recreation and Water Resources; the James River Association (JRA), Amazement Square – The Rightmire Children’s Museum and Lynch’s Landing.

As part of this initiative we are developing a Community Calendar of Events. Your organization is invited to be a part of this endeavor. We invite you to showcase any local watershed, river history related, or environmental conservation event(s) that you have planned between June 1, 2014 and December 31, 2015, for inclusion on a master calendar. The calendar will be available to the public, both in print and electronically and will be a great vehicle to help market your event.

To promote your event in our initial marketing initiatives complete and *please e-mail your form to:* [chris.gyurisin@lynchburgva.gov](mailto:chris.gyurisin@lynchburgva.gov) by February 28, 2014.
