Regarding
Fiscal Year (FY) 2015, Program Year 2014-2015
Community Development Block Grant (CDBG) and HOME Program**

A meeting of the Community Development Advisory Committee (CDAC) is scheduled for Tuesday, March 4, 2014 at 11:00 a.m. in the Second Floor Training Room of City Hall, 900 Church Street.

The purpose of this meeting is to review submitted CDBG and HOME Program applications and formulate recommendations for consideration by City Council regarding the allocation of approximately \$935,409 in CDBG entitlement and reprogrammable funds and approximately \$474,275 in HOME Program entitlement and reprogrammable funds.

The City started the Community Development Block Grant (CDBG) and HOME Annual Action Plan process through a City Council public hearing to review and update the adopted 2011-2015 Five Year Consolidated Plan goals on January 28, 2014. The primary objectives of the CDBG Program are to provide for activities that benefit low and moderate-income persons, aid in the elimination of slums and blight, and meet urgent community needs. The purpose of the HOME Program is to expand the supply of decent, safe, sanitary and affordable housing.

Reasonable efforts will be made to accommodate non-English speaking persons who wish to speak. Likewise, the City will make reasonable efforts to accommodate persons with disabilities. Persons needing special accommodations or translators should make their request to Starlette Early, Community Development Program Coordinator (434-455-3913) in the Grants Administration Office no later than Tuesday, February 25, 2014 so that special needs accommodations can be met.
