Information Technology – Network Services Division Budget Description

The Department Requested FY 2006 Information Technology – Network Services budget of \$1,200,533 represents a 16.0% increase of \$165,721 as compared to the Adopted FY 2005 budget of \$1,034,812.

Significant changes introduced in the Department Requested FY 2006 budget include:

- \$108,000 increase in Salaries and Benefits, reflecting the transfer of a position from Application Services which was restructured to be a Network Engineer budgeted at a cost of \$66,000, an increase of about \$4,000 due to promotions of Network Administrators, and an increase of \$38,000 due to increases in health and dental insurance premiums, restoration of group life insurance, and VRS increases associated with salary adjustments.
- \$33,000 increase in hardware maintenance expense, reflecting the full annual maintenance cost on the Cisco networking and telephone equipment, the discontinuance of other hardware maintenance expenses and to be installed in FY 2005.
- \$15,000 increase in telephone expense; the FY 2005 budget was underestimated, due to this being the first year that all City local telephone expenses were budgeted centrally and due to the underlying data not being totally known at the time budgets were prepared.
- \$11,000 increase in software maintenance expense, reflecting a \$6,000 increase in maintenance for Lotus Notes/Domino and other legacy software packages, and a \$5,000 increase for Spyware prevention and spam tools.

Major item requested not proposed by the City Manager for funding:

- \$4,812 due to the continuation of VRS life insurance holiday.

The Proposed FY 2006 Information Technology – Network Services budget was adopted by City Council with the following change:

- ♦ \$90 increase in fleet service charges due to rising fuel costs.

Information Technology – Personal Computer (PC) Replacement. Provides the funding for annual replacement of the City's standard office desktop computers. Replacements are made every 3 years.

Information Technology – Personal Computer Replacement Budget Description

The Department Requested FY 2006 Information Technology – PC Replacement budget of \$264,000 represents a 16.8% increase of \$38,000 as compared to the Adopted FY 2005 budget of \$226,000.

Significant changes introduced in the Department Requested FY 2006 budget include:

- An increase in the number of PCs in the replacement inventory of 87 PCs. This increase is driven by two primary factors:
 - The decision this year to include the budgeting for the replacement of certain “public” or “shared” use PCs for the first time. Historically these PCs have been replaced by departments and include: the Library’s public access PCs, the Gates Lab, public PCs in the Assessor’s Office, the IT Training Room, and the Human Services Interview Room. These PCs account for 75 of the overall increase of 87 in the replacement inventory. All PCs are replaced on a three-year schedule, so one-third of this increase (25 PCs) is included in this budget request for replacement in FY 2006.
 - An increase in the number of laptops in the inventory from 60 to 72. One-third of this increase (4 laptops) is included in this budget request for replacement in FY06.

All items requested are proposed for funding by the City Manager.

The Proposed FY 2006 Information Technology – Personal Computer Replacement budget was adopted by City Council with the following change:

- ♦ \$150,000 for personal computers to be reflected as an expenditure in the Technology Fund.

Information Technology – I. T. Projects. This sub-department tracks the budget for specific initiatives for technology needs in other City departments and to advance the City’s Information Technology Strategic Plan.

Registrar Budget Description

The Department Requested FY 2006 Registrar's Office budget of \$141,394 represents a 12.7% increase of \$15,951 as compared to the Adopted FY 2005 budget of \$125,443.

Significant changes introduced in the Department Requested FY 2006 budget include:

- \$10,310 increase in Salaries reflecting the increases voted by the Electoral Board for the Registrar and Deputy Registrar.
- \$1,200 increase in Miscellaneous Contractual Services (design and layout of ballots) reflecting the fact that there are two elections in FY2006
- \$4,500 increase in Minor Equipment reflecting the need to purchase 3 new computers for the office.
- \$1,000 decrease in Postage costs based on voter registration experience in similar election years.

Major items requested not proposed by the City Manager for funding include:

- \$9,626 in personnel services for elimination of requested salary increases.
- \$663 due to the continuation of VRS life insurance holiday.

The Proposed FY 2006 Registrar's Office budget was adopted by City Council without changes.

Registrar Performance Measure

Goal 1:

Purchase new computers for the Registrar's Office in order to be ready to utilize a new statewide voter registration and elections management system (VERIS) in 2006 which will replace VVRS (developed in 1987). Current office computers were purchased in 1999.

Objective:

VERIS (required by the Help America Vote Act) should provide a more accurate voter registration database, have advanced query, election management and reporting features, and should result in a less paper-intensive

Performance Measure:

The staff will take City and SBE-provided training in order to be ready to utilize the new computers and the VERIS system when it becomes available.

Electoral Board. Consists of three members appointed by the Circuit Court Judge. Members are appointed for staggered three-year terms and are responsible for overseeing general and primary elections and ensuring the maintenance of the voting machines. The Electoral Board will also canvass the vote following an election to decide the validity of conditional ballots and ascertain the results of the election.

Electoral Board Budget Description

The Department Requested FY 2006 Electoral Board budget of \$69,162 represents a 91.6% increase of \$33,073 as compared to the Adopted FY 2005 budget of \$36,089.

Significant changes introduced in the Department Requested FY 2006 budget include:

- \$13,500 increase in Minor Equipment reflecting the mandate to purchase 18 ADA-compliant voting machines for polling places by January 2006. Total cost is \$90,000 with \$76,500 in Help America Vote Act (HAVA) funds available toward this purchase (The State Board of Elections will pay vendor invoice directly, with City responsible for any difference between purchase and the City's HAVA allowance).
- \$18,000 increase in Miscellaneous Contractual Services for pollworker pay, reflecting the need to budget for two elections in FY2006 and the Electoral Board's goal of giving a pay increase to officers of election.
- \$1,200 increase in Mechanical M&R Service to allow for the repair of voting machines as necessary (current machines were purchased in 1996 and repair expenses may be expected to increase).

Major item requested not proposed by the City Manager for funding:

- \$475 in telecommunications based on historical spending.

The Proposed FY 2006 Electoral Board was adopted by City Council without changes.

Electoral Board Performance Measures

Goal 1:

Comply with mandates of the Help America Vote Act (HAVA) legislation regarding purchase of one handicapped-accessible voting machine per precinct. These must be in place by January 1, 2006.

Objective:

Provide the same opportunity for access and participation (including privacy and independence) to individuals with the full range of disabilities as for other voters.

Performance Measure:

With community input, the department will research, select and purchase 18 new ADA-compliant voting machines.

Goal 2:

Improve handicapped accessibility at Lynchburg's polling places

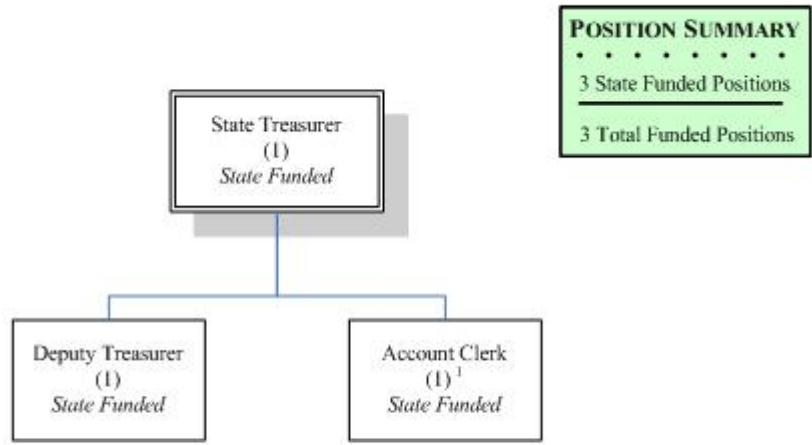

Objective: Enable persons with disabilities to participate in the electoral process at the same rate as those without disabilities.

Performance Measure:

Work with the community to modify or relocate polling places where significant accessibility problems have been identified by the HAVA-funded survey completed in September 2004. (Note: Lynchburg has not yet received feedback from SBE regarding the results of this survey and thus has no basis to estimate costs of needed modifications or what monies may be available from HAVA for these).

STATE TREASURER

1. Funding for this position deferred in FY 2006.

State Treasurer. A State Constitutional Office, housed by the City, elected by City residents, the State Treasurer pays jurors and collects State income tax, estimated State income tax, capital tax, and State license fees as well as issues State cigarette stamps.
