Addendum for Invitation for Bids
Security Camera System and Installation at multiple Lynchburg City Schools
2016-034

Date: 11/11/2015
From: Lisa Moss, Buyer VCA
RE: Addendum No. 1

This Addendum supplements and amends the original Plans and Specifications and shall be taken into account in preparing proposals and shall become a part of the Contract Documents. The Bidder shall indicate receipt of this Addendum and all previously issued Addenda on the Bid Form.

1. Will the City consider alternates
LCS has standardized on Sony cameras and ONSSI. The models listed is our preferred models. We will consider alternatives that meet or exceed the requirements of the project. LCS reserves the right to determine if the proposed solution is of equal or better quality. A revised bid sheet is attached to allow for alternates.
2. **Additional site visits, if needed, can be arranged by contacting David Childress at 434-455-5501.**
3. **Contractor is to provide J hooks for all runs at Fort Hill Community School and for all areas that currently do not have J hooks installed. J hooks must be installed at a maximum of every 4 feet.**
4. **R.S. Payne has river rock in its interior walls 2.5 ft thick.**
5. **Bass Elementary School will require a lift to perform the work in this project. Due to the location of the building in proximity to the street the lift can be placed beside the building.**
6. **LCS will provide all switches and power injectors. The vendor will need to supply patch panels per our walk through.**
7. **LCS is currently working to upgrade our current system to version 5. Please quote camera license and camera sups for ONSSI version 5.**
8. **Two optional cameras were discussed for Fort Hill Community School. One on the end of Each Cottage. Contractor will be responsible for bidding these separately. A revised Bid sheet is attached.**
9. Will LCS require ONSSI certification?
Yes, LCS will require ONSSI certification. Certification must be on the latest product line.
10. In regards to the software product for ONSSI that LCS is currently using, is it Professional or Enterprise?
LCS is has installed ONSSI Enterprise.
11. What level of certification of the ONSSI product is LCS looking for? (Channel Partner, Technology Partner or A&E Partner)

LCS is requiring OnSSI Ocularis 5 Certification and prefer to work with an OnSSI Channel Partner.
