1. Will the City entertain a Mobile Pay standalone proposal in this RFP process if we submit?
No.

2. Would the City be interested in piggy-backing off of the RFP process that Norfolk conducted earlier this year for a Mobile Pay provider?
The mobile pay provider is not part of this RFP.

Yes, all technical specs were completed by our I.T. department.

4. Would the city consider running the latest in parking enforcement software technology on Android operating system?

5. Would the city consider using a Bluetooth printer?
Yes.

6. What is the city's preference on paper specifications such as; 3x7 or 4 x7?
Currently, our paper specs are 3x6 and our envelopes are 3.5x7.5.
