## **ADDENDUM No 3**

May 2, 2014

### **City of Lynchburg** **Storage Building at Former Allen Morrison Site**

Architectural Partners

#### **Architect/Owner Clarifications**

1. The interior notes call for abrasive blasting of steel. Detail 3/A1.1 Section at Parapet calls for Soda Blasting of existing steel. For clarification, use wet blast using sand or other abrasive medium due to the possible presence of lead based paint.
