2015 Municipal Construction Contract
15-965

Date: March 16, 2015
From: Stephanie Suter, CPPO, CPPB
RE: Addendum No. 1

This addendum is supplemental to the project manual, and all changes, deletions and additions shall be part of the Contract as if originally shown in the drawings and specifications. This addendum shall be completed and submitted with all bids.

1. Pre-bid Meeting Agenda, 2015 List of Revisions for the Manual of Specifications and Standard Details, and the Pre-Bid Attendee Listing is attached.
2. The Bid Item Listings for both Sections I and II have been posted in Excel format to the City's Procurement website. It is the bidder's responsibility to ensure accuracy of this spreadsheet prior to bid submittal.
3. Section 1200 1.3.W and 1.3.X are rather contradictory in nature. Are both paid on a horizontal plane and are pigtails allowed to billed?
Section 1200 1.3.W and 1.3.X should be addressed by removing the words "horizontal plane" from 1.3.X.
Pigtails are a billable item.
