RE: Addendum No. 1

This Addendum supplements and amends the original Plans and Specifications and shall be taken into account in preparing proposals and shall become a part of the Contract Documents. The Offeror shall indicate receipt of this Addendum and all previously issued Addenda on the Title Page.

1. Was a consulting firm used to collect data and / or apply for the SLAF grant?
Yes, WSSI (shown on map) assisted the City through its master planning efforts to identify and evaluate the stream segments for restoration potential. Through this effort they assisted the City in its SLAF application.

2. Is a site visit going to be scheduled or is it open for visitation at any time?
No site visit is scheduled at this time. All site visits need to be scheduled by appointment only with Erin Hawkins at 434-455-3869.

3. Has detailed topographic survey already been performed? If not, is the City contracting this separate or should it part of the design proposal?
No. It should be included in the proposal.
