Step 3- Install Adobe Digital Editions and authorize your computer and Nook

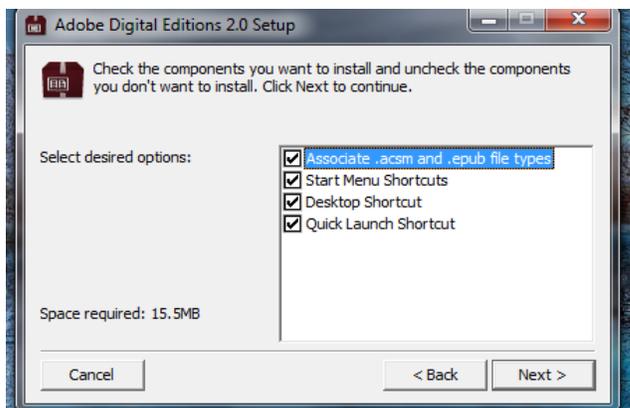

1. Go to <http://www.adobe.com/products/digital-editions/download.html>.
2. Select either "Windows" or "Macintosh" depending on your computer.

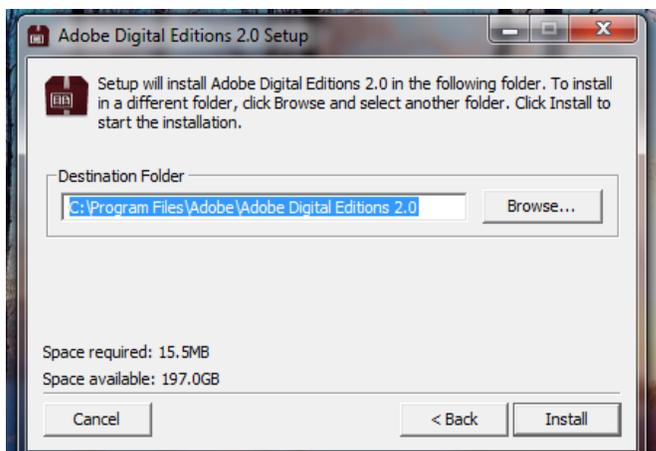

3. Click "Run" to start the installation of Adobe Digital Editions. Downloading the installation package to your computer may take some time.
4. If you have Windows 7 or Windows Vista you may see a window asking if you want to allow this program access. Click "Yes" if you see this window.
5. Click "I Accept the terms in the License Agreement" to install these files on your computer.

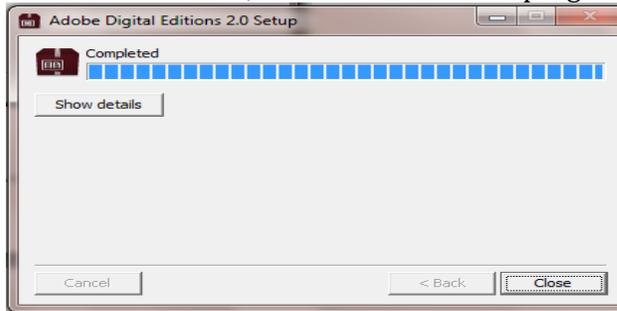

6. In the next window you have some options of where shortcuts will be installed. If you are unsure just click “Next.’

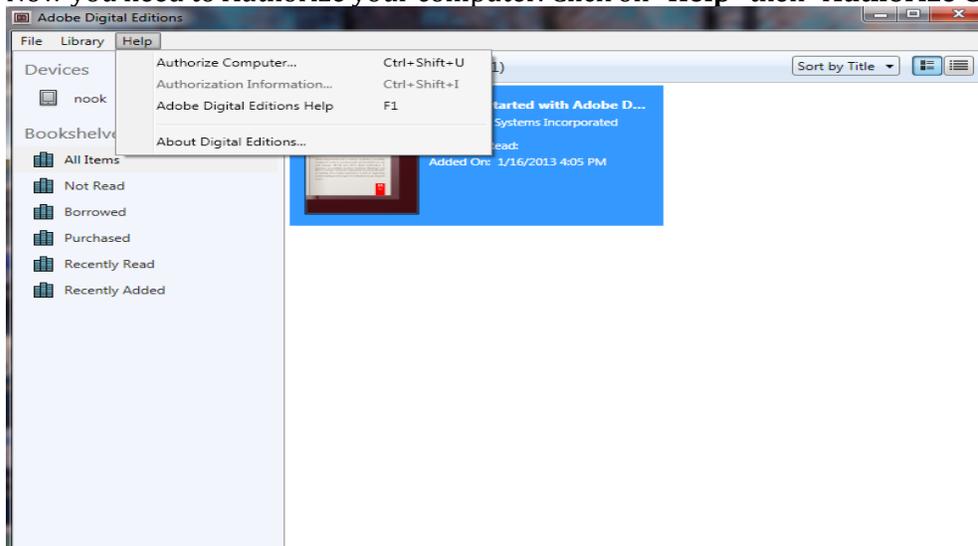

7. If you wish you may change the Installation Folder. If you are unsure just leave it as is and click on the “Install” button.

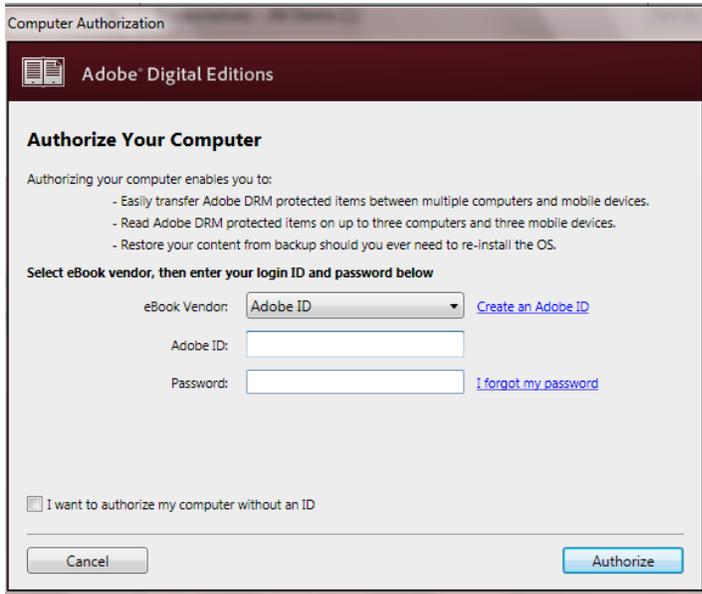

- In the next window, click “Close” and the program will proceed with the actual installation.

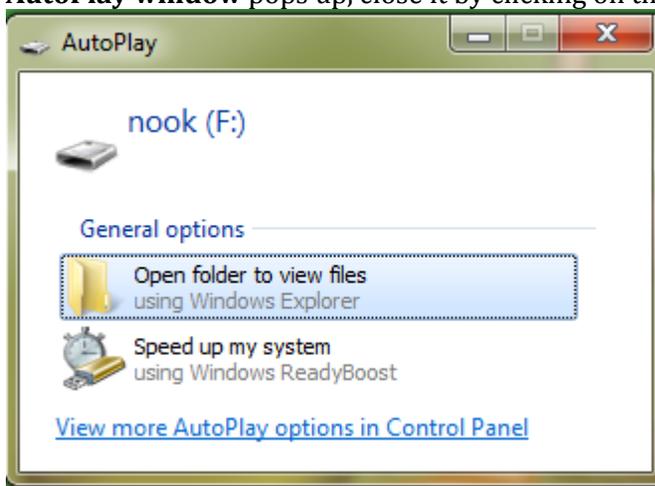

- Once the files are installed, Adobe Digital Editions will launch.
- Now you need to Authorize your computer. Click on “Help” then “Authorize Computer”.

- You can now enter your Adobe ID and password in Adobe Digital Editions and then click “Authorize.” This will authorize your computer.

12. Keep Adobe Digital Editions open and plug your Nook into your computer. If you see an **AutoPlay window** pops up, close it by clicking on the red X.

Step 4 – On your computer install Overdrive Media Console

1. Go to <http://www.overdrive.com/software/omc>

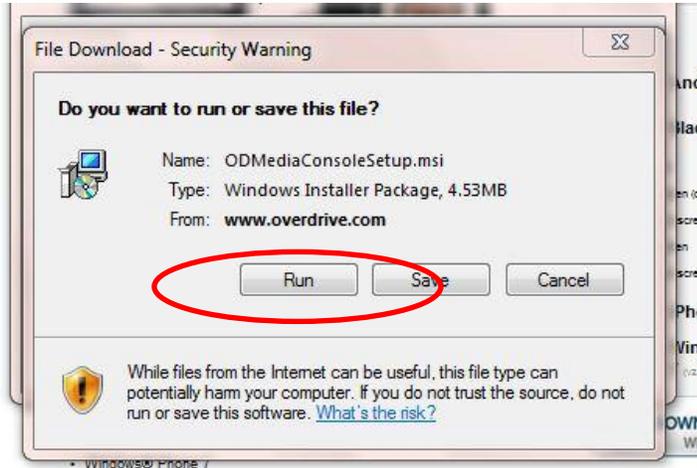

2. Click on your computers operating system.

3. Click on the “**Download**” button.

4. A window will pop up. If you are using Internet Explorer, click on the “**Run**” button. If you are using Firefox, click on “**Save File**” and then in the “**Downloads**” window double click on “**Overdrivemediaconsolesetup.msi**” files.

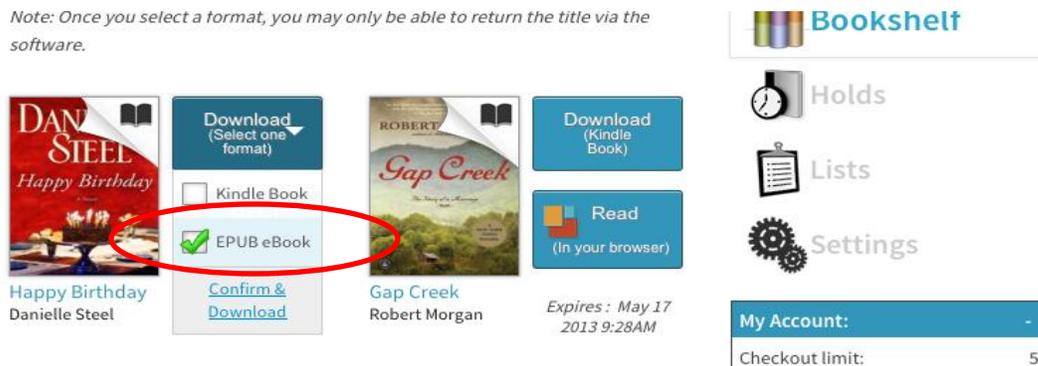

5. Depending on which version of Windows you are running on your machine you may see the window shown above. If you do left click on **“Run.”**
6. If you wish you may change the Installation Folder. If you are unsure just leave it as is and click on the **“Install”** button.
7. Confirm the installation instructions by clicking on the **“Next”** button.
8. If you have Windows 7 or Windows Vista, you may see a window asking if you want to install this program. Click **“Yes”** if you see this Window.
9. Wait for the program to finish installing and then click the **“Next”** button. The final window will declare the installation complete. Click the **“Close”** button to finish the installation.

Downloading and Transferring eBooks to Your Nook

1. Go to <http://vppl.lib.overdrive.com>.
2. Find an eBook that is available and you are interested in and click the **“Borrow”** button.

- a.
3. Once you have found a book, click on the **Adobe EPUB** format .

4. Then click on “**Confirm and Download**”

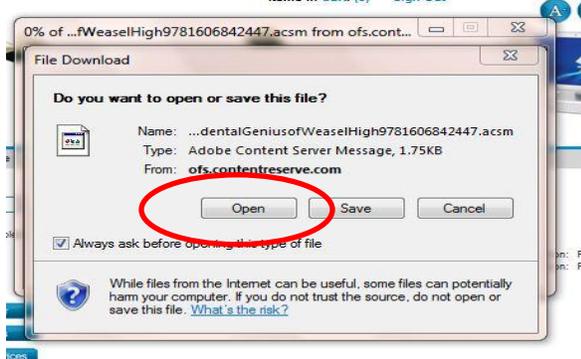

note: Once you select a format, you may only be able to return the title via the software.

The screenshot shows the Nook interface with two book covers: 'Happy Birthday' by Danielle Steel and 'Gap Creek' by Robert Morgan. For 'Happy Birthday', the 'Download' menu is open, showing options for 'Kindle Book' and 'EPUB eBook' (selected). The 'Confirm & Download' link is circled in red. For 'Gap Creek', the 'Download (Kindle Book)' and 'Read (In your browser)' options are visible. The interface also features a navigation menu with 'Booksnet', 'Holds', 'Lists', and 'Settings', and a 'My Account' section.

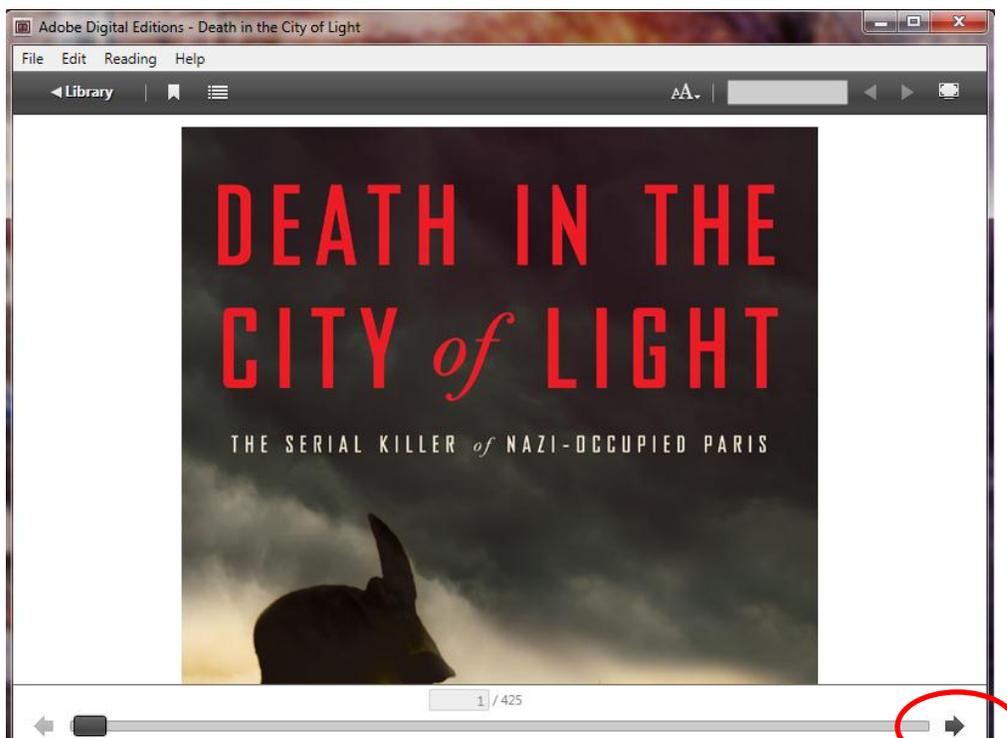

5. Sign in to your library account by selecting your library and entering your **Library Card Number (no spaces)**.

The screenshot shows the library sign-in process. A dropdown menu is open, showing a list of libraries: 'Amherst County Public Library', 'Appomattox County Libraries', 'Bedford Public Library System', 'Campbell County Public Library System', 'Lynchburg Public Library' (circled in red), and 'Pittsylvania County Public Library'. Below the dropdown, the 'Library card number' input field is circled in red. The interface also includes a 'Switch library' button, a 'Sign In' button, and a 'Remember my login information on this device' checkbox. The background features a blue banner with the text 'powered by OverDrive' and 'THE NEXT GENERATION EXPERIENCE'.

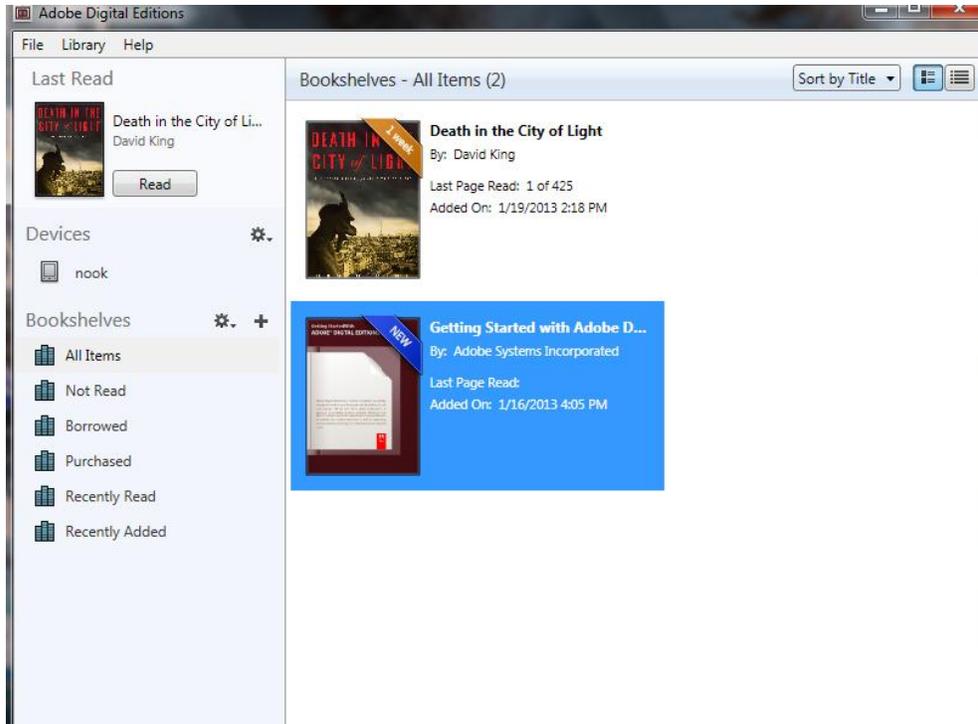

6. When asked whether to Open or Save the file, select **Open**.

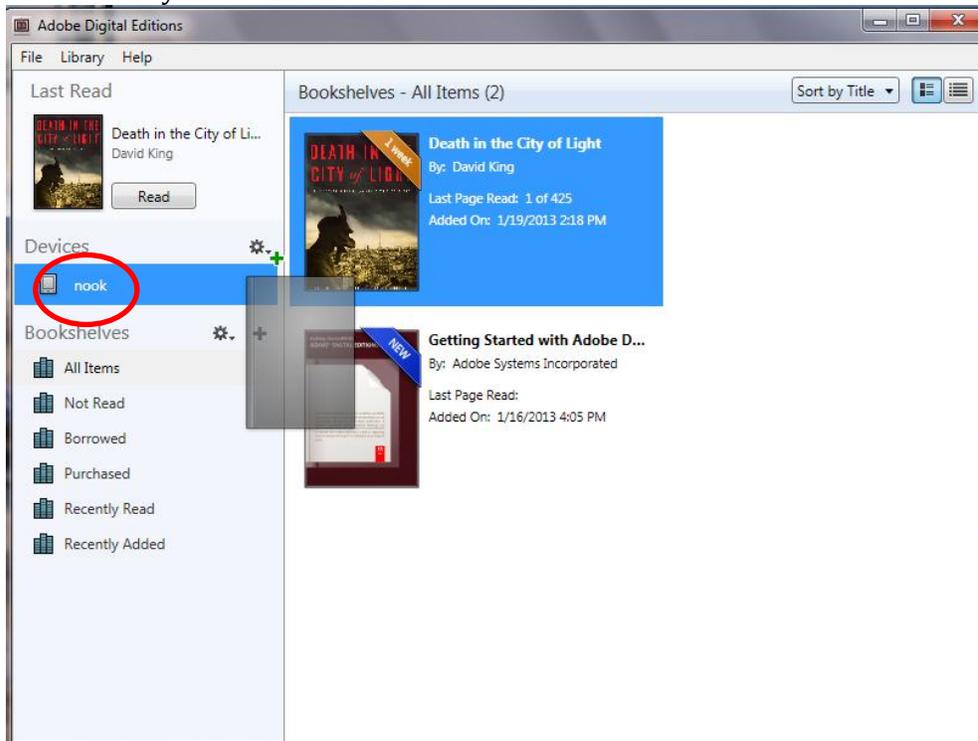

1. Adobe Digital Editions will open and your eBook will download. This is the “Reading View” and you can read your book right on the screen.

2. Plug your Nook into your computer using its USB cable.
3. Click on the Library icon in the top left corner to make sure you are looking at the **Library View**. Your Nook should be listed at the top of the left column of the screen, with any eBooks you have downloaded on the right.

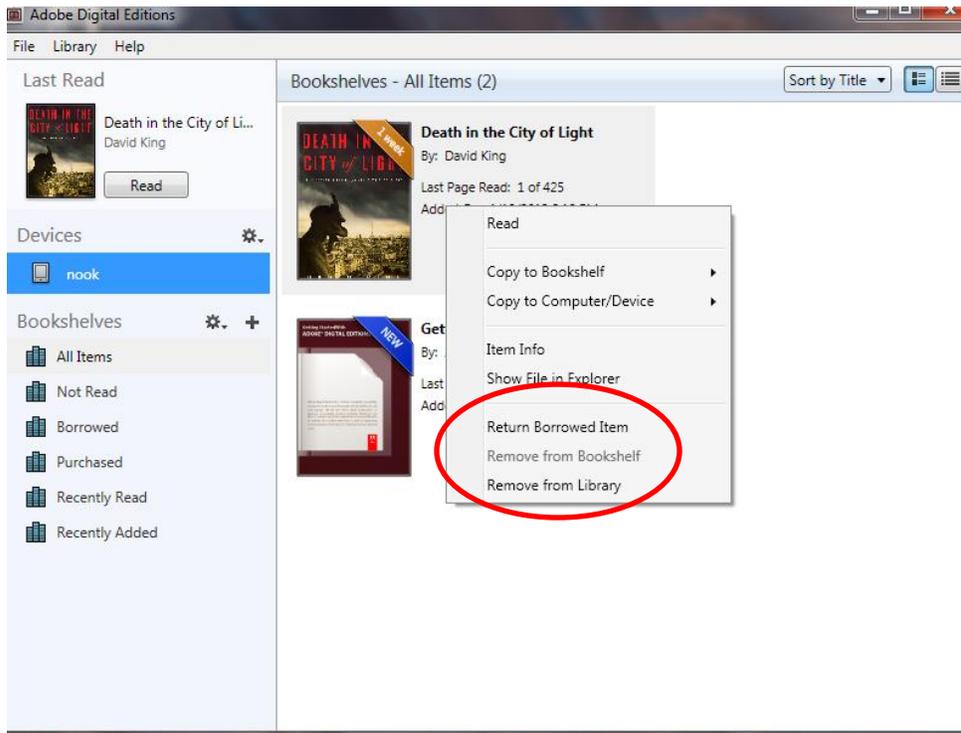

4. To transfer an eBook to your Nook, **drag and drop** the eBook from the right side of the screen onto the Nook icon. (When dragging the file onto the Nook icon, look for the green plus sign. This indicates you are ready to let go of the mouse and “drop” it into the Nook.) This will copy the file onto your device.

5. Disconnect the Nook from your computer. Your ebook will be located in **Library > My Documents**.

Step 3 - To delete or return an item early

1. In Adobe Digital Edition under the **"Go to Library View."**
2. Locate the book you want to return and right click on the book.

3. Select **Return Borrowed Item** or **Remove from Library**.
