

The City of Lynchburg is introducing a new pilot parking program in downtown. The

purpose of the program is to better manage parking on the 1200 block of downtown and to ensure that customers have convenient parking for shopping and business needs.

The pilot program consists of the installation of new parking pay stations on the **1200 block of Main St.** and in the **Community Market parking lot.**

The new pay stations will serve multiple parking spaces and accept coins and credit/debit cards. After the 6-month pilot concludes, the on-street parking meter program will be evaluated for its efficiencies and effectiveness.

WHAT IS A PAY-BY-PLATE PAY STATION?

A pay-by-plate pay station is a parking meter that can serve multiple parking spaces and provides the parker the convenience of accepting multiple forms of payment. The pay station will accept coins and MasterCard and Visa credit/debit cards. With the pay-by-plate pay station parking is easy. Just park, pay, and walk away.

WHERE ARE THE PAY STATIONS?

The 1200 block of Main Street and the parking lot of the Lynchburg Community Market. (Lot H)

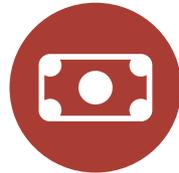

WHAT ARE THE HOURS OF OPERATION?

The on-street pay stations are enforced Monday – Friday from 7:00 a.m. - 5:00 p.m. and the weekends are free. The Community Market lot pay stations are enforced Monday – Saturday from 7:00 a.m. - 5:00 p.m.

HOW DO I KNOW WHERE THE PAY STATIONS ARE LOCATED?

Two of the pay stations are on the 1200 block sidewalk and the other two are in the Community Market parking lot. All pay stations have a bright orange “Pay Here” sticker prominently displayed on them.

WHAT ARE THE PARKING RATES?

The first 30 minutes are FREE, but you have to enter your license plate number at the pay station and select the FREE time. If you need more time the rates are:

\$1.00 per hour for the first three (3) hours

\$2.00 per hour for four (4) or more hours

There is no time limit on how long you can stay. As long you have paid for your time, you are good to go. NOTE: Handicap parking is FREE for those with valid handicap parking plates/placards.

CAN I USE THE REMAINING TIME ON MY TICKET SOMEWHERE ELSE?

Once you’ve paid, you can park anywhere on the 1200 block of Main Street or in the Community Market. All four (4) pay stations can take your license plate information and payment.

HOW DOES IT WORK?

Using the pay stations is easy when you remember to park, pay, and walk away. After parking your vehicle note your license plate number. Visit the pay station and enter you license plate.
