Parking Tips

On-street parking spaces are limited to the amount of time that is posted on the sign (i.e. 30 mins, 1 hour, 2 hours. Spaces are limited to these posted time limits per block per day.)

Parking is prohibited in the following areas:

- On a sidewalk
- In front of a public or private driveway so as to block ingress or egress
- Within an intersection or travel way
- Within fifteen (15) feet of a fire hydrant
- On a crosswalk
- Within twenty (20) feet of a crosswalk at an intersection
- Within thirty (30) feet upon the approach to any flashing beacon, stop or yield sign or traffic control signal
- Within fifty (50) feet of the nearest rail of a railroad grade crossing
- In areas that are posted "Parking by Permit ONLY" without a permit
- In a Loading Zone

Benefits of Parking SMART with mPark

To register for mPARK cell phone payment service, please visit www.mparkusa.com or call 1-888-672-7546.

Convenience: Parking without the hassle of finding change for the parking meter or being concerned about running out of time.

Courtesy: A friendly reminder text message will be sent to the customer's phone before their parking expires.

Pay remotely: Customers can pay the meter from inside their car or on the way to their destination without running back to the meter.

On-line Account: Customers get a free online account detailing all parking charges, which is great for expense claims or tax records.

Business Accounts: Offered parking service to companies and organizations who wish to take advantage of automated central billing of their employee's parking expenses.

Token Validation Program

Tokens are available for purchase and can be used as follows:

- For businesses to distribute to customers and shoppers to use for parking on their next visit to downtown Lynchburg.
- One token will allow a customer to park for 1 hour and 45 minutes on the upper level of the Mid-Town Parking Deck or for 1 hour on the middle level of the Clay Street Parking Deck, M-F, 7am-5pm (parking is free nights and weekends).
