- c. maintaining an electronic copy of each completed accident/injury report and all supporting documentation
- d. maintaining the OSHA 300 log

C. MOTOR VEHICLE CRASHES INVOLVING POLICE VEHICLES

1. For the purposes of this directive, the following definitions will apply:
 - a. A **vehicle crash** will be defined as any incident where a department vehicle strikes or is struck by another vehicle, a fixed object, a pedestrian or an animal (on or off the public highway) resulting in any of the below:
 - 1) damage to the department vehicle that requires repair
 - 2) damage to any non-department vehicle, public or private property
 - 3) visible personal injury to the involved employee or to any other party
 - 4) the claim of personal injury by the involved employee or any other party
 - 5) the clear possibility of a future injury or fault claim forthcoming from any party as result of the incident (including any claim that an employee may have precipitated a crash in which a department vehicle was not directly involved).
 - b. **Vehicle Repair** will be defined as repair that is necessary to enable continued operation of the vehicle, or repair that is necessary to return the vehicle to an acceptable appearance (such as significant dents, body collapse, paint transfer, etc.).
 - c. A **vehicle damage incident** will be defined as a situation in which a department vehicle sustains minor contact damage during normal operation (such as a dent, ding, scratch, scrape or scuff) and in which the employee's supervisor determines that no repair is required.
2. The operator of a police vehicle involved in a motor vehicle crash, if physically able, will immediately report such crash to LynComm.

3. Employee duty to report:
 - a. Involvement in a motor vehicle crash will not preclude or override an employee's employment responsibility as a Lynchburg City and a Lynchburg Police Department employee to accurately, fully and promptly report work-related activities and observations.
 - b. Employees will verbally report incident details:
 - 1) to other employees, representatives of other agencies or members of the public as and when necessary to:
 - a) safeguard human life, aid in suspect apprehension, or otherwise further an ongoing investigation; and
 - b) fully cooperate and assist in reporting on an incident deemed likely to give rise to a claim against the City of Lynchburg
 - 2) to any Lynchburg Police Department supervisory staff member, on request.
 - c. Employees will complete all procedurally required written administrative reports, statements, memoranda, etc on supervisory request and as soon as practical after incident occurrence.
 - d. An employee who deliberately refuses to provide verbal and/or written incident information when ordered to do so:
 - 1) will be subject to disciplinary action, up to and including termination of employment, for insubordination
 - 2) may have City insurance coverage summarily limited or terminated.
 - e. The on-scene supervisor will assign another employee to complete any required incident report that the involved employee is physically unable to complete in a timely manner.
 - f. The on-scene supervisor will complete any required administrative report that the involved employee is physically unable to complete in a timely manner.
 - g. In cases where such reports were completed for an incapacitated employee, that employee will review the reports for accuracy as soon as practical thereafter, and will correct any errors noted by filing a supplement to the original report.

4. The on-call Traffic Safety Unit supervisor will be notified whenever an employee is involved in a motor vehicle crash.
 - a. A Traffic Safety Unit officer will be assigned to investigate the crash whenever possible.
 - b. Employee vehicle crashes may be investigated by field supervisors:
 - 1) as requested by the Traffic Safety Unit supervisor, or
 - 2) as determined appropriate by the Traffic Safety Unit supervisor to preclude calling out a Traffic Safety Unit officer for a minor incident.
 - c. The Traffic Safety Unit officer or field supervisor investigating an employee-involved traffic crash will be responsible for:
 - 1) completing a *Police Accident Report* before the end of that tour of duty and submitting it to Report Review for proper routing and filing
 - 2) notifying the City Risk Management Office immediately when any death or serious bodily injuries are sustained
 - a) By Department of Labor (DOL) mandate, City Risk Management has 8 hours to file a report with DOL when there is an event involving an employee death or an incident where 3 or more employees are hospitalized.
 - 3) requesting on-scene supervisory investigative assistance as necessary
 - 4) submit all accident documentation through Blue Team within 24 hours through the chain of command to the Major of the employee involved in the crash, which will:
 - a) detail all information obtained regarding the crash, including statements by involved parties (officers, citizens or witnesses)
 - b) detail the results of the crash investigation
 - c) indicate any deviation from Lynchburg Police Department policy or procedure
 - d) indicate any possible civil liability incurred by the City as result of the traffic crash.
5. Supervisory review of employee traffic crashes will be conducted in accordance with guidelines set forth within directive PD-1601 (*Internal Investigations*).

6. Employee-involved traffic crashes resulting in death, serious physical injury, significant damage to non-LPD property, or other circumstances or effects deemed likely to foster significant public interest or concern will be responded to, handled and reported according to procedures set forth within PD-0402 (*Significant Incident Management*).
7. Any documentation *other than Police Accident Reports* will be handled as an *Attorney Work Product*.
8. Upon receiving the investigative reports, the involved employee's Major will:
 - a. advise the Chief of Police of the status of the investigation
 - b. review the content of the report(s) and determine if a sufficient degree of culpability exists to warrant further investigation.
9. Upon completion of the crash investigation, the Major will:
 - a. advise the Chief of Police of the results of the investigation
 - b. ensure that all related information is forwarded to the Chief's Office
 - c. forward the accident investigation to the Professional Standards Unit through Blue Team for filing
10. If further investigation is deemed necessary by the reviewing Major or the Chief of Police, he may:
 - a. direct that further investigation be conducted by the appropriate supervisor, *or*
 - b. initiate internal investigation procedures.
11. Employees will immediately report any vehicle damage incident to their immediate supervisor.
 - a. The involved employee will document the vehicle damage on the *Vehicle Damage Sheet* along with the date of the incident and the employee's initials.
 - b. The employee's supervisor will inspect the vehicle damage as soon as practical and, if he concurs that the damage does not require repair, will also initial the *Vehicle Damage Sheet*.
 - c. No further action will be required in these cases.

D. DAMAGE TO PRIVATE PROPERTY

1. Employees who damage private property while on-duty or while performing any work-related function will immediately report the incident to their immediate supervisor.
2. The supervisor will be responsible for:
 - a. attempting to identify and contact the property owner
 - b. notifying a representative from the City Risk Management Office of the incident: as soon as possible and no later than the next city work day.
 - c. submitting a written report within 48 hours of the incident occurrence.

E. CLAIMS AGAINST THE CITY / DEPARTMENT / EMPLOYEE

1. Any employee who receives court papers or other correspondence regarding a claim against him or the City of Lynchburg will notify the Professional Standards Unit.
2. The Professional Standards Unit will:
 - a. advise the City Attorney's Office of the papers
 - b. serve as the coordinator between the department and the City Attorney
 - c. ensure that all reports, files, photographs, etc. needed by the City Attorney are provided in a timely manner
 - d. keep the involved officer informed of the progress of the suit or information request.
