## CSO SEPARATION 16.3B

July 2013

The CSO 16.3B Project area includes Blackburn Street, Fulks Street, James Street, Naval Reserve Street, Stadium Road, Wythe Road, and off-road areas between these streets. The project's scheduled completion date is June 18, 2014.

The contractor, Counts & Dobyns, Inc., is continuing construction; the following work activities are planned. The proposed schedule is subject to change.

**Blackburn Street** – Be prepared for asphalt patch to be placed this month. No utility work planned for this month.

**Fulks Street** – No construction activity is scheduled for this month. Anticipated time for sanitary sewer placement will be from August through November.

**James Street** – Be prepared this month for the street to be closed to thru traffic for the installation of sanitary sewer and storm sewer to be placed between Stadium Rd. and Carroll Avenue. Street closure will be confined to the work area only. Anticipated time for the street to be reopened is August.

**Naval Reserve Street** – Work has been completed.

**Off Road Areas below Wythe Rd. (Norfolk Southern)** – Schedule to be determined. Equipment and personnel could be observed in this area starting this month in July.

**Stadium Road** – Be prepared this month for one-lane traffic for the installation of storm sewer placement.

**Wythe Road** – Be prepared this month for one-lane traffic due to construction activity and possible sanitary sewer placement.

**During new utility installation, temporary construction barriers will be placed to contain the construction activities in and near the road. This temporary construction barrier will be adjusted to new locations along the affected streets from day to day. Please be attentive within the work areas and expect slow traffic during these times.**

Property owners in this area are encouraged to participate in the City Rainleader Disconnect Program. Call the CSO information line at 485-7246.
