## CSO SEPARATION AREA 16.3A

February 2013

---

The CSO 16.3A Project area includes Aragon Street, Callaham Street, Carroll Avenue, Cliff Street, Gordon Street, Palm Street, Shaffer Street, Stadium Road, and off-road areas between these streets. The project's scheduled completion date is August 2013.

The contractor, George E. Jones & Sons, Inc., is continuing construction; the following work activities are planned. The proposed schedule is subject to change.

**Aragon Street** – Storm sewer and sanitary sewer work may start mid-month. Shaffer St should be used for access to Cliff St and Cliff St side of Aragon for residents.

**Callaham Street** – No work scheduled for this month.

**Carroll Avenue** – No work scheduled for this month

**Cliff Street (1500-1600 Block)** – Sanitary sewer at the intersection of Aragon may start this month.

**Gordon Street** – No work scheduled for this month.

**Palm Street/Cliff Street (1900 Block)** – No work scheduled for this month.

**Shaffer Street** – Construction activity, which includes new water main and sanitary sewer, is projected to continue this month. Be prepared for one-way traffic during pipe installation.

**Stadium Road** – All work on Stadium Road is completed.

**During new utility installation, temporary construction barriers will be placed to contain the construction activities in and near the road. This temporary construction barrier will be adjusted to new locations along the affected streets from day to day. Please be attentive within the work areas and expect slow traffic during these times.**

Property owners in this area are encouraged to participate in the City Rainleader Disconnect Program. Call the CSO information line at 485-7246.
