CSO SEPARATION 16.3B

February 2013

Sanitary sewer and storm sewer construction work is being initiated in your neighborhood. In an effort to keep citizens informed, you will receive a monthly newsletter providing information about construction in your area. The CSO 16.3B Project area includes Blackburn Street, Fulks Street, James Street, Naval Reserve Street, Stadium Road, Wythe Road, and off-road areas between these streets. The project's scheduled completion date is June 18, 2014.

The contractor, Counts & Dobyys, Inc., is starting construction; the following work activities are planned. The proposed schedule is subject to change.

Blackburn Street – Phase II work. No construction activity is scheduled for this month. Anticipated time for sanitary sewer placement is March.

Fulks Street – Phase III work. No construction activity is scheduled for this month. Anticipated time for sanitary sewer placement will be from May through November.

James Street – Phase III work. No construction activity is scheduled for this month. Anticipated time for sanitary sewer or storm sewer placement will be from May through November.

Naval Reserve Street – Phase I work. Be prepared for one-lane traffic for the installation of storm structures on this street.

Off Road Areas below Wythe (Norfolk Southern) – Schedule to be determined. Equipment and personnel could be observed in this area.

Stadium Road – Phase II work. No construction activity is scheduled for this month. Anticipated time for storm sewer placement is March.

Wythe Road – Phase I & IV work. Be prepared for one-lane traffic for the installation of storm pipe and structures on this street.

During new utility installation, temporary construction barriers will be placed to contain the construction activities in and near the road. This temporary construction barrier will be adjusted to new locations along the affected streets from day to day. Please be attentive within the work areas and expect slow traffic during these times.

Property owners in this area are encouraged to participate in the City Rainleader Disconnect Program. Call the CSO information line at 485-7246.
