

LYNCHBURG PLANNING COMMISSION

February 26, 2020

4:00 p.m.; 2<sup>nd</sup> Floor Conference Room, City Hall

Lynchburg Planning Commission Public Participation Policy at Public Hearings:

1. The presentation by the Petitioner's representative(s) will be a maximum of ten (10) minutes. If it would be difficult to fully explain a complex proposal orally within the time limit, it is recommended that the petitioner submit in advance to the Planning Division staff written information that can be mailed to the Commission members.
2. Comments from a speaker representing an opposition group will be a maximum of ten (10) minutes.
3. Subsequent individual citizens wishing to speak will be allowed a maximum of three (3) minutes each.
4. At the end of the public hearing, each side will be allowed a maximum of three (3) minutes for final comments.
5. The Commission would prefer not to hear speakers whose comments are repetitive or are irrelevant to the petition at hand, but will recognize the number of people present in support or in opposition to the petition.
6. When the public hearing comments are completed for an item, the Chair will declare that the hearing is closed. The Commission will then go into a business session on that item, during which the public may remain present but will not be allowed to speak.
7. The Commission Chair will firmly and fairly enforce the above rules.

Other Agenda Items

The Commission agenda will frequently contain items which are not listed as public hearings. Such non-public hearing items include proposed subdivision plats, public street dedications, and street names. Public comments on such items are generally not encouraged. However, the Commission may at its discretion allow citizens to speak according to the rules listed above.

- 
1. Approval of minutes from the January 8, 2020 Planning Commission meeting.
  2. Public Hearings:
    - a. Consideration of adopting the Forest Brook Road Corridor Study as part of the City's Comprehensive Plan 2013-2030. The purpose of the Study is to provide the City of Lynchburg with a detailed planning level assessment of the options for future needs of Forest Brook Road that will enhance safety while accommodating future capacity of the roadway. The plan provides the following recommendations: trimming and maintenance of vegetation, upgrading guardrails, installation of curb & gutter and sidewalk, improve intersection radius at Forest Brook Road and Lakeside Drive, improve the horizontal curvature of the roadway, and ensure adequate sight distances.
  3. Next Regular Meeting Date – Wednesday, March 11, 2020
