ADMINISTRATIVE REVIEW (No Meeting)

1. Project 12th and Monroe Pedestrian Improvements
(PRJ2111-0001)
Corner of 12th Street and Monroe Street

In 2020, a multidisciplinary team from organizations across the City participated in the Virginia Walkability Action Institute (VWAI). As part of the project, the group received a small amount of grant money to bring attention to walkability in Lynchburg. The team is proposing a colorful crosswalk inspired by a poem, that Dunbar school provided, at the corner of 12th and Monroe. Approximately 2500 square feet will be disturbed as part of the sidewalk installation. **(There is no review fee for this project.)**
