

ADMINISTRATIVE REVIEW:

1. Road, Water & Sewer Timberlake Road and Leesville Road Intersection Improvements 18006-R
(RWS1801-0007)

Michael Bryant of Hurt & Proffitt has submitted a preliminary road, water and sewer plan for improvements to Timberlake Road and Leesville Road. **(There is no review fee for this project.)**

2. Road, Water & Sewer Executive Housing Low Pressure Force Main (RWS1801-0008)

Norm Walton of Perkins & Orrison has submitted a preliminary road, water and sewer plan for a low pressure force main. **(There is no review fee for this project.)**

3. City Project Fiber Optic Cable in City Right-of-Way (PRJ1801-0001)
1920 Atherholt Road
Val. Map #00109001

Trent Snarr of NB+C Engineering Services has submitted a concept plan on behalf of CenturyLink to install aerial fiber along an existing AEP owned utility pole line for one thousand nine hundred (1,900) linear feet. It will start at 1920 Atherholt Road and head south one thousand (1,000) feet and cross Langhorne Road at Atherholt intersection. From there it will go west for nine hundred (900) linear feet to a proposed aerial splice point on AEP pole No. 104-5008. **(There is no review fee for this project.)**

4. Subdivision Plat Wiggington Heights (SUB1801-0005)
1014 Wiggington Road
Val. Map #21706006

Mr. Thomas C. Brooks, Sr., of Acres of Virginia submitted a preliminary subdivision plat on behalf of Dennis Wayne Melancon, Jr., to divide the above parcel into two (2) parcels. **(The subdivision plat review fee of \$210.00 is due and must be paid before TRC comments can be released.)**
